## Aible Customer Reviews

Gartner peer insights™

5.0 Rating  
★★★★★

"Get Value from AI Now! Use this tech!"

"Leading the way in AI and GenAI tools."

"Front-runner in secure GenAI for enterprise-scale data."

"Fastest path to insights with your data as-is, explained simply through GenAI narration."

"Aible allows customers, in minutes, to build Generative AI and Classical ML."

"Incredibly intuitive and easy to use."

"Quickest way to unravel the insights"

## Custom Generative AI Apps in Your Cloud in Minutes

The AI for enterprise solution implements in minutes in the customer's private Cloud instance with secure access to structured and unstructured data.

### Fast Time to Delivery

Implemented in your cloud in less than 24 hours guaranteed. New use cases, leveraging your structured and unstructured data, ready to be used in minutes and hours.

### Hallucination Double-Check and Monitoring

Automatically double-checks for hallucinations. Logging, monitoring, and anomaly detection across models, use cases, and users.

### Learns & Adjusts to User's Unique Needs & Preferences

Works out of the box for a wide variety of use cases. Results improve with every user interaction, no expertise needed.

## Leading Brands Rely on Aible

and more...

## What Can Aible Do For You?

### Sales Use Cases

- Customer Churn
- Proposal Generation
- Sales Email Generation
- Sales Optimization
- And More

### Marketing Use Cases

- Campaign Optimization
- Email Nurture Generation
- Lead Scoring
- Personalized Messaging
- And More

### Finance Use Cases

- Collections Effectiveness
- Risk Assessment
- Fraud Analysis
- Late Payments
- And More

# Launch GenAI Apps in Minutes, Without Specialized Knowledge of AI

## Just Start Chatting

Business teams can start benefiting from their generative AI use cases, securely leveraging their structured and unstructured data, in minutes.

**AS** How can I improve sales?

**AI** The data reveals that the **Day of the Week** has a significant impact on Successful Sales. The **Day of the Week** has the highest percentage of 19.19% on Thursdays and the lowest of 5.5% on Saturdays. In addition, the interaction of Annual Income and Day of Week has a high explanatory power. For instance, **Saturdays, Successful Sales** is 70.13% when Annual Income is >120K and 0.92% when Annual Income is <=60K.

Here's the Days of the week where the Annual Income is over 120K

WEEK	Annual Income is over than 120K	Annual Income is all other
M	~15%	~5%
T	~10%	~5%
W	~25%	~10%
Th	~20%	~10%
F	~35%	~15%
S	~70%	~10%
S	~65%	~10%

## Auto-improves with End-user Feedback

Simply edit responses in place or click thumbs up or down to immediately improve the experience for your use case. Aible will perform all the heavy-lifting by automating few shot learning, reinforcement learning, LORA, etc.

**CHATAIBLE**

Hello!

I am ready to start chatting about **Analytics** with a **Story Teller** tone using **Google PaLM 2**.

Ask ChatAible

## If it's Blue it's True

Reduce hallucinations where GenAI responses make up facts with auto-generated explainable AI that double-checks the GenAI responses to confirm facts at scale and prevents wrong decisions.

**CHATAIBLE**

**AS** How can I improve sales to Gen Z?

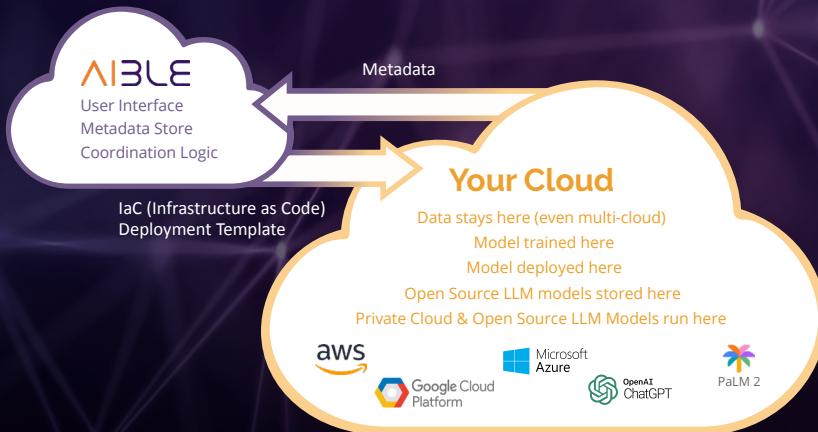

**AI** Focus on digital marketing: Gen Z has the highest success rate (20.42%) when the lead source is digital marketing, compared to other age categories. Avoid mornings: Gen Z has a lower success rate (3.86%) during the morning compared to other age categories. Pay attention to the following interactions, which have a medium to high
